

1. **Policies for Recruiters**

- a. All College and University recruiters should provide advance notification of their attendance to the event organizers via e-mail.
- b. All registered scouts should receive accreditation and information packages upon their arrival at the competition.
- c. Upon receiving consent from a coach or team administrator, recruiters can approach players at the completion of a match. Any approach made to a player must be in the presence of a coach, team administrator, or parent/guardian.
- d. Once an athlete has formally committed to a club, college or university, that individual is no longer available to be recruited by other clubs or institutions.

2. **Policies for Coaches and Players**

- a. Coaches should educate players and parents on the standard recruitment practices.
- b. Coaches should not prevent the recruiters from contacting their players, however, coaches do reserve the right to dictate or limit the amount of contact the recruiter has with their players.
- c. Should a player be approached by a recruiter without consent from a coach or administrator, the player is responsible for informing their coach/administrator of the meeting.

3. **Policies for Event Organizers**

- a. Event organizers reserve the right to deny access to recruiters who are deemed to have broken the scouting and recruiting policies.
