

Purpose

This rule serves to protect minor athletes in potentially vulnerable situations by ensuring that more than one adult is present. Vulnerable situations can include close doors meetings, travel, and training environments. Fusion FC endeavours to limit the instances where these situations are possible.

Rule of Two

There will always be two screened and NCCP trained or certified coaches with an athlete, especially a minor athlete, when in a potentially vulnerable situation. This means that any one-on-one interaction between a coach and an athlete must take place within earshot and view of the second coach, with the exception of medical emergencies.

In the event where screened and NCCP trained or certified coaches are not available, a screened volunteer, parent, or adult can be recruited. In all instances, one coach/volunteer must reflect the genders of the athletes participating or be of an appropriate identity in relation to the athlete(s).

Individuals in a supervisory role should be appropriate for, and acceptable to, the individual athlete.
